Project Incharge, Friends Union for Energising Lives-FUEL,
Pune

8983423483 shyam@studentsfuel.org

Participants : 113 students from BE/TE Computer, AIML, Electrical, E&TC
And Civil Department

Objective : Aptitude Test is the First Step of selection process in all MNCs
and IT Industries. To train the students in solving Aptitude
Problems within given timeframe and develop their logical
thinking for the same.

Summary : 113 students participated in the training workshop. Response
and feedback of the students was very graceful. They learned
the different techniques and tricks of solving the problem in
minimum possible time. This will definitely be helpful for them
in appearing the interviews.
